

## **News Release – Announcement - Expanded Plastics Recycling, February 10, 2011**

The Town of Darien Department of Public Works has expanded recycling program at the Darien Transfer Station, 126 Ledge Road to include oversized plastics. Program is for those having access privileges to the Darien Transfer Station (valid RDA sticker (aka dump) or commercial permit). There is no charge for disposing of plastics. Should you need assistance, recycling attendant near transfer station building will assist you in placing plastics in dumpster. Dumpster is located near electronics recycling container with sign.

Oversized plastic recyclables include: large plastic toys such as sliding boards, big wheels plastic tricycles; lawn furniture such as tables or chairs, plastic garbage pails or buckets; plastic coat hangers; or other plastic items that do not bear the recyclable label #1 through #7.

This announcement will be accessible on the Town of Darien website at [www.darienct.gov](http://www.darienct.gov) with links to DPW or call 203-656-7346 for more specific information. Scavenging is not allowed. If you would like someone to re-use your oversized plastic item, please place it in the swap shop.
