To: Area Residents;  
Re: Abbey Road, Intervale Road, Stanley Road, Drainage Project,

Dear Resident:

We write to provide you with a status update on the drainage project in your area and to keep you apprised of road closures and suspended on street parking.

Drainage structures will be installed across Intervale Road on Monday (11/14/16) and Tuesday (11/15/16). Work will begin on Abbey Road on Tuesday (11/15/16). Work on Abbey will require closure of the road and suspension of on street parking. Closure will be during business hours (7:00 AM through 5:00 PM M-F). Your home will always be accessible and Darien Police will be present to direct you through the detoured area. Drainage work and road closure on Abbey Road is expected to proceed from Tuesday (11/15/16) through 12/2/16.

Drainage work will also continue simultaneously on Intervale Road between Holmes Court and Stanley Road. Work on this section of road is also expected to be completed on 12/2/16. Work will continue on Intervale Road east of Stanley Road after 12/2/16.

School bus routes have been coordinated with the Darien Board of Education. The bus stop on the corner of Abbey Road and Intervale Road will be moved to the corner of Holmes Avenue and Intervale Road for 11/14/16 and 11/15/16. Pending progress, bus stop will revert back to corner of Abbey Road and Intervale Road.

An illustrated on schematic is on the reverse side of this letter. We continue to work with the Darien Board of Education to ensure school bus routes or stops maintained or that you are notified of changes.

I can be reached at 203-656-7365 or via email at [doustafine@darienct.gov](mailto:doustafine@darienct.gov). Please feel free to contact me directly should you have any questions.

Sincerely,
