Parks & Rec Committee

Meeting Minutes

SPECIAL MEETING

MARCH 12, 2012 8:00PM

DARIEN TOWN HALL AUDITORIUM

Present: Rob Cardone, Mark Daley, Peter Firmin, James Howe, John McLean, Andrew Millar, Cheryl Russel (Chairman), Tom Valentino

Meeting Summary

With 8 members present and a quorum, committee Chairman Russell called the meeting to order at approximately 8:10pm to discuss and vote on the Public Works/Park and Recreation Union Contract.

Chairman Russell observed that only 5 of the 27 employees under this contract are Parks & Rec employees, so this committee would be secondary, along with F&B. Since 22 covered employees are with Public Works, that committee would be primary. This being a special meeting, the contract is the only item on the agenda and a quorum is required to vote.

At approximately 8:30pm, the 3 RTM committees combined into a single meeting to hear Town Administrator Karl Kilduff address questions about the proposed contract. Following questions from the 3 committees, PRC returned to the back of the room to vote.

Mr. Daley moved to accept the proposed union contract, which was seconded by Mr. Howe. Following a brief discussion, the committee voted unanimously in favor of the proposed contract.

At approx. 8:45pm, Chairman Russell adjourned the meeting.
