The special meeting was called to complete the agenda items of the 10 September, 2012 regular meeting that was not held due to the lack of a quorum.

The meeting began with a page by page review of the PowerPoint that described the results of the Committee's research into how refuse was disposed of in Darien, dated 10 September, 2012. A number of suggestions for changes were made by the members and would be incorporated into the deck that was distributed to the members of the RTM.

Mr. Anderson moved, seconded by Mr. Adiletta, that the deck be distributed to the members of the RTM, after Mr. Kahn made the changes requested by the several members of the committee. The motion passed [13 in favor, 0 against, 0 abstentions].

Note that a copy of the final PowerPoint deck can be found in the RTM meeting minutes of 24 September, 2012.

Mr. Adelman moved, seconded by Ms. Schulz, that the Public Works Committee recommends to the full RTM, at its meeting on 24 September, 2012, the approval of the Plastic Bag Ordinance, as drafted by the TGS&A Committee and presented to the Public Works Committee on 18 September, 2012. The motion failed [5 in favor, 6 against, 2 abstentions].

There being no other business the meeting was adjourned.

Respectfully Submitted,

Steven A. Anderson
