Meeting was called to order at 8:05 p.m.

The objective of this meeting was to discuss the RTM committee assignment process and to informally discuss which committees members hope to work on this year.

Members-elect Michael Burke, Maria Ferretti and Seth Morton were introduced to other district members, and briefly stated their reasons for wanting to join the RTM.

Dennis Maroney, who served on the Rules Committee for a number of years, gave an overview of the function of the Rules Committee and its role in making the committee assignments. Several questions were posed by committee members and answered by Mr. Maroney. Rob Young, District III Rules Rep 2008-09, noted the importance of completely filling out all information requested on the committee preference sheet. These sheets will be handed in to the town clerk at the Annual RTM meeting on November 9 and turned over to each district's Rules Committee representatives.

Tom Moore polled members as to which issues they anticipate coming up in their respective committees this year, how much of a time commitment each committee is, amount of RTM experience or background helpful for each, etc. With an informal show of hands, members later indicated if they hoped to remain on their current committee.

Meeting was adjourned at approximately 8:40 p.m.

Respectfully submitted,

Carolyn Bayne

District III Chair
