

REGULAR MEETING AGENDA

Wednesday, May 24, 2023 7:30 P.M.
Public Meeting Room 206
Darien Town Hall, 2 Renshaw Road
Darien, Connecticut

OPENING

Requests to the ZBA involve important legal property rights. The proposal may expand one owner's limitations and reduce others' protections as defined within the Zoning Regulations. Therefore, any information considered must be clearly provided and all hearing comments are recorded. **Please speak only into the microphones near the podium. In order to avoid unnecessary distractions, please silence all electronic /communication devices and avoid side conversations** within the meeting room and hallway near the door.

The ZBA will make every reasonable effort to complete this agenda in a timely manner . However, complications may arise and it may be difficult to properly consider all of the requests tonight. You can be helpful by making your presentation efficiently. Due to necessary scheduling of ZBA members, and possible involvement with other Board/Commission review, the following items may be considered out of sequence. Application requests may be heard and then deliberated one by one rather than all the deliberations occurring at the end of the meeting. Please understand that one or more hearing items may need to be opened and continued to a subsequent meeting and some hearings may be completed tonight but ZBA deliberation of the requests may be postponed to a later date. After the hearing of the project you are interested in is concluded, you may choose to make subsequent inquiries about a possible decision to ZBA office staff at 203-656-7351 during regular business hours.
