## Minutes of Special Meeting – Wednesday, January 10, 2024

### Darien Town Hall, Room 206

The Meeting was called to order at 1930 by Co-Chairman Bill Wright

Present: Wright, Jones, Huffard, Bridges, Cavers (via Zoom), Marks, Roberto, and Harbor Master John Keena

Absent: Dever, Tankoos

#### Meeting

(Jones & Wright) The Meeting was convened to discuss two remaining issues on the draft ordinances (Version 5) prior to submission to the BOS and town counsel and the several subsequent procedural steps necessary to finalize and adopt by the town.

The two issues discussed were 1) the appropriate maximum number of moorings in a berthing harbor any permit holder could have (1 or 2), and 2) an agreed description of how to allocate available mooring spaces.

Issue 1) the Commissioners who were present voted 7:1 to support the limitation of 1 mooring per permit holder in a berthing harbor (at times waitlist exists) with the few who currently have two moorings being grandfathered.

Issue 2) the language as proposed in the draft (page 10) was accepted.

#### Next Steps

Commissioner Huffard volunteered to finalize. Work product to be: 1) full red-line from the town's published ordinances and 2) a clean copy for review, both accompanied by a re-print of the current town's ordinance so that comparisons by BOS, counsel and others is made easier.

#### Adjournment

The meeting adjourned at 2025
