News Release

Leroy West
Parking Lot
remains open for
use. Temporary
construction
trailers are located
at the back of the
lot and are
powered by above
ground conduits.
Traffic cones are in
place to alert

vehicle operators to the location of the conduits to avoid damage to conduits. Parking spaces are open in these areas. The conduit is located along the south side of the lot – furthest away from the railroad tracks. Please use care to remain on paved surfaces in this area. The picture shows the conduits, available parking, and vehicles parked correctly adjacent to the conduit. Please contact the Darien DPW at 203-656-7346 should you have any questions or visit our website www.darienct.gov, for future updates.
