SAVE AND WIN

A health reimbursement arrangement (HRA) is an account funded by your employer that helps pay for certain out-of-pocket medical expenses. The benefits of an HRA include:

- Coverage for out-of-pocket costs, which may include things such as deductibles, copayments, coinsurance, dental and vision expenses (as determined by your employer)
- You don't pay taxes on HRA funds
- Contributions are free money, provided by your employer. There are no payroll deductions

HOW HRAs WORK:

Your employer determines the amount of money the company will contribute to your HRA and identifies eligible medical expenses. During the course of the year, you can use your funds for eligible out-of-pocket medical expenses. In most cases, ConnectiCare will receive and process a medical claim and then send the claim to be reviewed for payment from your HRA.
